

Seaplane Workshop I - Safety is NO Accident: Tips on Creating Successful Safe Flights

An informative review on how seaplane pilots, bush pilots and yes even those that conduct most of their operations on pavement can make flying safer and more enjoyable for themselves and their passengers. Land plane pilots are welcome to attend, as many of our topics will pertain to inflight situations where the landing gear type makes no difference.

Directions: Western Washington Fairgrounds are located in Puyallup, just off Hwy 512, at the corner of S. Meridian and 9th Avenue SW. Enter fairgrounds through the Blue Gate. FREE Parking in BLUE Lot. If flying into PLU see additional information below for airport shuttle details.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area
Sign up for the FAA's safety services at www.FAASafety.gov!
